Maths

Year 1 continue to follow the Singapore approach to maths lessons.

We will be looking at division, fractions, grouping numbers into tens and ones and looking at numbers up to 100.

Reading

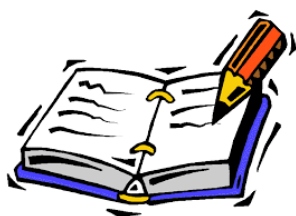

It continues to be vital that your child has their book bag with them in school, in order for their book to be changed (once a week). Your child will also bring home a library book. It is also important to return this book on a weekly basis in order for it to be changed.

Phonics

We will be running Phonics workshops every Friday from 9-9:20 that parents can attend. This is a fantastic workshop, which will show you how you can best support your child and prepare them for the Phonics Screening test, they will complete during the Summer term.
