

# Old Hall Drive Academy

Together Everyone Achieves More

January 2021

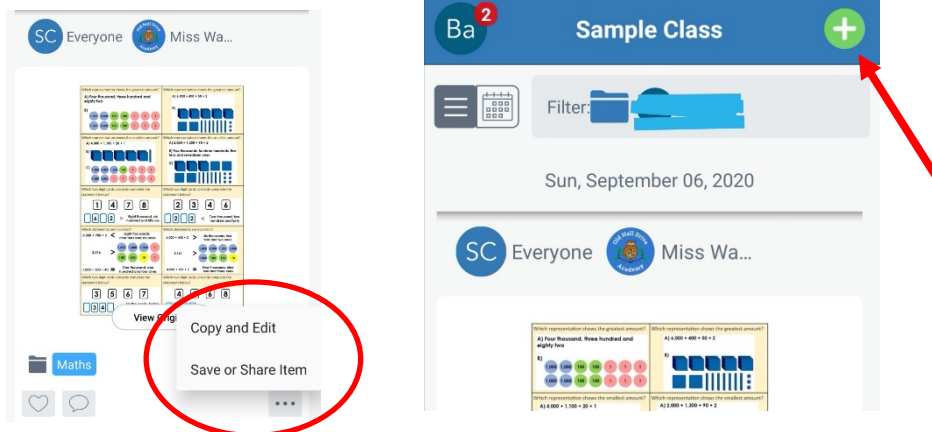

Dear Parents and Carers (EYFS – Year 2),

During national lockdown, we are using [SeeSaw](#) to deliver home learning for children. You can use any device to access this including; laptops, iPads, tablet devices and mobile phones.

Your child's work will be uploaded every morning and there will be an outline of the work your child has been provided with including English, Maths, Guided Reading and a topic lesson. We actively encourage all children to try their best with every piece of work they have been given – if they find the work too tricky, please make us aware by leaving a comment on the work so we can adapt future lessons to provide further support. With some lessons, if you would prefer, your child can do the activities on paper and take a picture and upload it to their profile.

With each piece of work there will be instructions about the task your child is to complete, this task will be in a separate post on their profile. To access and complete the work, you select the 3 dots and select 'copy and edit' to complete the work. If you are uploading an image of the work press the green plus in the top right corner and select photo and choose the image you wish to upload. See the images below for further guidance.

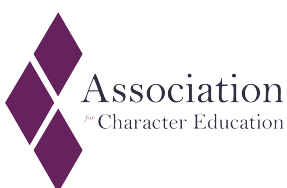

Once your child has completed their work, they need to press the green 'tick' to ensure it uploads and the teacher can be notified to assess and accept the work to your child's profile as well as providing any feedback. Your child's work will only be visible to staff from their year group and not anyone else within the cohort or school.

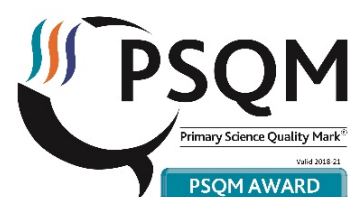

Thank you for your continued support during this time,

Miss Wardle
